

### **A Year of Giving** (October 22, 2018 to October 21, 2019)

The entire reason for Soul's journey is to learn the spiritual need for giving. A life of meaning is a life of giving. God's love freely comes to all of us, so we must learn both to accept that love and then to pass it on to others. — Sri Harold Klemp, *ECK Essentials*

### *Letter from the Local Director*

*"An individual's state of consciousness simply means his ability to accept change in his life. It includes new thoughts and new feelings, and the new behavior and actions that will naturally come as a result."*

Harold Klemp, *The Call of Soul*, p. 11

Changes - they happen every day. Seems like the only thing that stays the same in my life is change - there is always something that makes me change what I do and how I do it. It can be tiring at best and disabling at worst. Staying in contact with the Holy Spirit, the ECK, keeps me out of the rut and in the groove. It is easier for me to accept change when I do regular spiritual exercises or just sing HU, my love song to God.

With ECK Love, Glenn Williams,  
Local Director, (309) 738-9034

### *What is Sound of Soul?*

In a friendly small group setting, we will chant HU for 20 minutes followed by 5 minutes of silent contemplation. The Sound of Soul is sponsored by Eckankar and is offered as a free community service for people of all faiths, cultures, and backgrounds.

*"In practical terms this means that every moment is known to be of infinite value, not because of what precedes or follows it, but because it is the moment of communication with God, in which eternity is a present reality as one holds and possesses the whole fullness of life in one moment, here and now, the past, present, and future." — The Shariyat-Ki-Sugmad, Books One & Two, p. 363*
