THE INNER VIEWER

August – September 2017

YEAR OF ECK THE MISSIONARY
October 22, 2016 to October 21, 2017

"Each Soul has a mission, a purpose. During this annual cycle, one tries to learn, then align, this personal mission with that of God's divine plan for each Soul's return home to God. Soul is here to learn divine love. Along the way, Soul learns that its personal mission also means helping others find their way to it."
Sri Harold Klemp

"Think about the gifts in your life that have come from God, from the Holy Spirit, that make this life worth living. Think about the adventures that are coming, and be grateful for the strength to meet tomorrow. Appreciate the gifts of life." - Harold Klemp, Spiritual Wisdom on Prayer, Meditation, and Contemplation, pages 51-52

Letter from the Local Director

"My role is to help people who are ready for Mastership, not children who want to have things done for them. I help people who are striving to become self-sufficient and develop the very high spiritual state of being able to survive under any and all conditions." – Harold Klemp, *How to Survive Spiritually in Our Times*, Mahanta Transcripts, Book 16, page 44

So are you ready for Mastership? The dictionary says it is a skilled practitioner of a particular art or activity. Am I ready for spiritual Mastership? Are you? What a profound and unfathomable question. I do think that I want to become spiritually self-sufficient and to be able to survive under any and all conditions. And I think this is going to take continued effort! Who better to show the way than the Living ECK Master, Sri Harold Klemp. He has been my spiritual partner, protector and way-shower for over 30 years.
