

A Year of Giving (October 22, 2018 to October 21, 2019)

The entire reason for Soul's journey is to learn the spiritual need for giving. A life of meaning is a life of giving. God's love freely comes to all of us, so we must learn both to accept that love and then to pass it on to others. —Sri Harold Klemp, *ECK Essentials*

Letter from the Local Director

"The sixth of the Spiritual Years of ECK. The entire reason for Soul's journey is to learn the spiritual need for giving. A life of meaning is a life of giving. God's love freely comes to all of us, so we must learn both to accept that love and then to pass it on to others." -Harold Klemp, ECK Essentials, p. 44

'Tis the season when we give gifts to family members and others. Seems like we spend money giving because it's expected; same as on many other holidays like birthdays, etc. I'm going to keep the spiritual flow going every day this next year - giving some other "things" like love; understanding; encouragement; love; smiles; assistance; praise; love; assurance; support; did I mention love? Won't cost a penny!

What is Sound of Soul?

In a friendly small group setting, we will chant HU for 20 minutes followed by 5 minutes of silent contemplation. The Sound of Soul is sponsored by Eckankar and is offered as a free community service for people of all faiths, cultures, and backgrounds.

"HU, this ancient love song to God, is the most beautiful prayer. As you sing HU, you're not asking God to help you. You're saying that whatever needs to be in life, you are willing to accept it, no matter what it is. In other words, you're simply saying 'Thy will be done.' This is true prayer." - Harold Klemp, Spiritual Wisdom on Prayer, Meditation, and Contemplation, p. 25
