

**A Year of HU** (October 22, 2017 to October 21, 2018)

"HU is the most ancient name for God, not God Itself. HU, the first impulse from the Ocean of Love and Mercy, is the original of all motion, force, light, sound, or vibration. Singing HU opens one to help from the Holy Spirit." Sri Harold Klemp

### *Letter from the Local Director*

*"People always think the old way is better. Why? Because change is such a difficult thing to come to grips with. Nobody likes to change, because changing from one state to another is a spiritual process. Nobody likes to go through spiritual processes. It means having to do something unfamiliar. Everybody likes to do the familiar thing." - Harold Klemp, The Road to Spiritual Freedom, p. 166*

I like doing the familiar thing. Why? Because it's easier, faster, less stressful, and a bunch of other reasons. But sometimes, without warning, your easy way becomes impossible or gets broken. I try to look at an undesirable situation, one that is causing me stress, as an opportunity and a challenge. To be up for a challenge it all starts with the wind of change. The wind blows stronger when I sing HU and the opportunity really is one.

*"We tend to think of humans as the pinnacle of evolution. This may be true of biological evolution, but it is not necessarily the case from a spiritual perspective. Many Souls in the animal form are already highly evolved spiritually. They can give and receive divine love in a way that many humans would not understand." - Harold Klemp, Animals are Soul too!, p. 12*
