YEAR OF ECK THE MISSIONARY  
October 22, 2016 to October 21, 2017

*"Each Soul has a mission, a purpose. During this annual cycle, one tries to learn, then align, this personal mission with that of God's divine plan for each Soul's return home to God. Soul is here to learn divine love. Along the way, Soul learns that its personal mission also means helping others find their way to it."*  
Sri Harold Klemp

*"What Is Spiritual Healing?  
"The process of spiritual healing  
teaches us something about ourselves we  
didn't know before."

**Letter from the Local Director**

"How do we treat God's creatures? How do we treat other people? How do we treat ourselves? How do we act? How do we think? The law of life known as the Law of Karma is the great teacher. As you sow, so shall ye reap. It's not a vindictive law; it's a law designed to open the heart to love and understanding." – Harold Klemp, *The Awakened Heart*, page 89

Most people think Karma is only nasty and malicious – the result of what somebody is going to get for cutting you off at the last stoplight! Right? Well, I have learned that Karma is something to work with and can teach me a lot about myself. I have to open myself up spiritually to gain that insight, and ECKANKAR has helped me to do that. **Plan on coming to the Regional Seminar at the iWireless Center in Moline, IL on July 29-30 to learn more about how to work with Karma, and many other insights on the path of spiritual freedom.**
