

A Year of Giving (October 22, 2018 to October 21, 2019)

The entire reason for Soul's journey is to learn the spiritual need for giving. A life of meaning is a life of giving. God's love freely comes to all of us, so we must learn both to accept that love and then to pass it on to others. —Sri Harold Klemp, *ECK Essentials*

Letter from the Local Director

"We begin to have experiences with the Light and Sound of God, and thus we develop a greater understanding of the spiritual laws of life. Knowing these laws, we can then make our own life easier." - Sri Harold Klemp, The Dream Master, Mahanta Transcripts, Book 8, p. 140

For me, the Spiritual Laws of Life are pretty easy to understand. When I read them they appear to be logical and reasonable. Of course, the challenge is to observe and follow the spiritual laws. I especially like how Eckankar suggests that you "live in harmony" with the spiritual laws. That is my goal!

What is Sound of Soul?

In a friendly small group setting, we will chant HU for 20 minutes followed by 5 minutes of silent contemplation. The Sound of Soul is sponsored by Eckankar and is offered as a free community service for people of all faiths, cultures, and backgrounds.

"We need to understand that the challenges we face today involve all sorts of past-life experiences. Once we gain awareness of these links to other lives, it's possible to handle our challenges in a better way this time around. We can end a chain of karma that has lasted for centuries." - Sri Harold Klemp, Spiritual Experiences Guidebook, p. 13
