

**A Year of Giving** (October 22, 2018 to October 21, 2019)

The entire reason for Soul's journey is to learn the spiritual need for giving. A life of meaning is a life of giving. God's love freely comes to all of us, so we must learn both to accept that love and then to pass it on to others. — Sri Harold Klemp, *ECK Essentials*

### *Letter from the Local Director*

*"There exist wonderful truths – spiritual laws that nourish us, one and all. Laws of wisdom, freedom, and charity, or divine love. How can we shape our lives and destiny to live in harmony with them?" – Harold Klemp *The Spiritual Laws of Life* back cover*

Every time a lawmaker creates a new law a little bit more of our freedom is taken away. I remember when the speed limit law changed from 70 to 55 mph. My traveling job took me a lot longer between customers. I was not happy. In contrast, take a look at the Spiritual Laws of Life. Working in harmony with these laws makes me very happy. They are not laws at all, but spiritual truths, that help me connect with the holy spirit.

With ECK Love, Glenn Williams,  
Local Director, (309) 738-9034

### *What is Sound of Soul?*

In a friendly small group setting, we will chant HU for 20 minutes followed by 5 minutes of silent contemplation. The Sound of Soul is sponsored by Eckankar and is offered as a free community service for people of all faiths, cultures, and backgrounds.

*"The process of spiritual healing teaches us something about ourselves we didn't know before." — Harold Klemp, *Spiritual Wisdom on Health and Healing*, p. 4*
