

A Year of Blessing (October 22, 2019 to October 21, 2020)

As Soul - a divine spark of God - you are the eternal dreamer. You are the creator of your own worlds. You gain lessons in life and in your dreams. Each moment is an opportunity to gain trust in the Divine and faith in your own abilities. — Sri Harold Klemp, *Your Road Map to the ECK Teachings: ECKANKAR Study Guide*

"Dreams touch every level of our life. They may let us glimpse the future, or give suggestions for healing, or share insights into our relationships. Above all, they can and will steer us more directly toward God." – Harold Klemp, ECKANKAR's Spiritual Experiences Guidebook, p. 17

Letter from the Local Director

I know that dreams touch many levels of my life. How do I know? Because I have experienced it. Most of my dreams are relevant to everyday occurrences as opposed to future or past events. Like when I have to make a decision about something that I am indecisive about (I suffer from procrastination), I sometimes get help in dreams. I recently had a dream where my spiritual Master appeared to me and said, "Just sing HU, and I'll do the rest". HU is an ancient name for God, and singing HU does steer me towards God.

What is Sound of Soul?

In a friendly small group setting, we will chant HU for 20 minutes followed by 5 minutes of silent contemplation. The Sound of Soul is sponsored by Eckankar and is offered as a free community service for people of all faiths, cultures, and backgrounds.

"Working with the creative power of Soul means learning how to focus your attention. It's something you have to work with, because if you're going to be good in anything, you have to put some effort into it."
— Harold Klemp, *Truth Has No Secrets*, p. 102
